Double room with breakfast: €75

Program

Friday, November 30

7:30 PM Icebreaker dinner
Le Brigne Restaurant, Molare

Saturday, December 1

9:00 AM Technical program:
Tessellation: transverse isotropy versus hexagonal symmetry
Weighting function within Backus average

12:30 PM Lunch Buffet at the Winery

2:30 PM Technical program:
Slowness surfaces resulting from Backus average: Algebraic
examinations

8:00 PM Dinner at the Winery

Sunday, December 2

9:00 AM Technical program:
Multiple scattering and homogenization: Travelttime
considerations

12:30 PM Lunch
Osteria Lolli, Carpeneto

2:30 PM Closing of the Symposium

There is no registration fee. Everyone is encouraged to attend all events, including lunches and dinners.
